MATERIALS RFP

The RFP for library materials contracts for the period beginning July 1, 2012 and running through June 30, 2015 was issued on April 2, 2012 with a due date of April 27, 2012. The Library of Virginia issued the RFP via the eVA VBO and ran an advertisement in both the Richmond Times Dispatch and Richmond Free Press. The RFP was published on the MALIA listserv, and is posted on our website under the contracts link. All currently contracted vendors were also emailed directly to inform them of the RFP.

The evaluation committee includes Lorraine Abraham, Janet Tier, Sandy Smith and me. I will be contacting them within the next week with their information packages and evaluation forms. We will evaluate our responses and have recommendations ready to present at the June 1 Executive meeting. After final approval from the Executive Board, the contracts will be awarded and the vendors notified.
