Supplies and Serials Contract renewals

The Supplies and Serials Contracts respectively were renewed for another year as approved by the Executive board at the February 2014 meeting. The terms for the current contract will be extended from July 1, 2014 through June 30, 2015. The contract renewal went into effect on July 1, 2014. I sent notification of the renewed contracts to the listserv on July 1 and a notice was also put on the website at that time.

All three of our current serials vendors, EBSCO, Wolper, and W.T. Cox, renewed their contracts. **Pitney Bowes, Roanoke Stamp and School Specialty** did not return the renewal requests after repeated contacts and are no longer considered contracted vendors for MALIA. All other Supplies vendors accepted the terms for renewal.

If you do business with Pitney Bowes, Roanoke Stamp and/or School Specialty, please contact them to update your account.

The signed renewals are posted on the website and the contract terms are in full effect at this time. The current information can be accessed under the Serials and Supplies Contract links.

I want to express my sincerest appreciation to everyone who helps me in the contract process. This includes, but is not limited to :), Cathy Hanshew, Jody Hanshew, the MALIA Executive Board, and Susan Fauver, at LVA. And thanks to all of the MALIA members for providing a service to our communities, whether public or academic, that is so often overlooked, underfunded and under appreciated. Thank you so much for all you do and for being a great group with whom to work.
